About Us

RMK Weldtech, situated in the heart of Bengaluru, is committed to offering uncomplicated solutions for all welding-related issues. We deliver outstanding and trustworthy services to our customers, utilizing professional engineering and in-house production facilities for personalized project planning. Our goal is to enhance welding quality, reliability, and durability.

Our Services

- TIG Welding
- MIG Welding
- ARC Welding

TIG Welding (GTAW)

Aluminum

MS

SS

Copper

Brass

Titanium

Cobalt

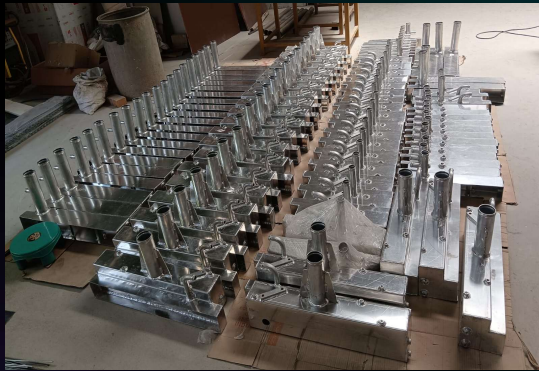

Tantalum

Nichrome

Kanthal

TIG Welding (GTAW) – Aluminum

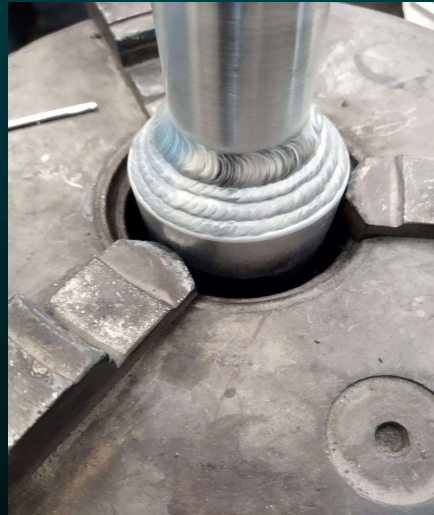

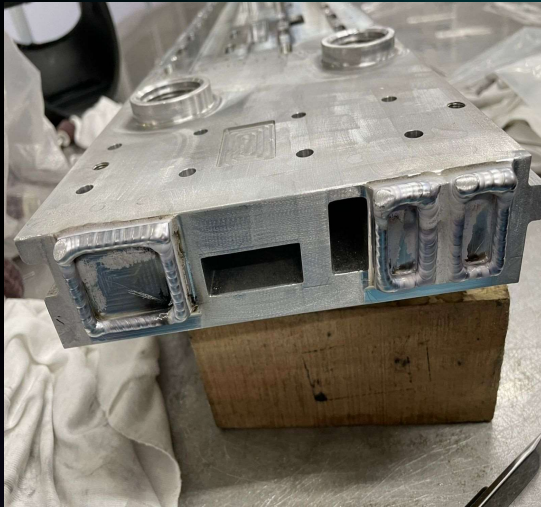

Radiator For Metro Train

X-Ray Machine Parts

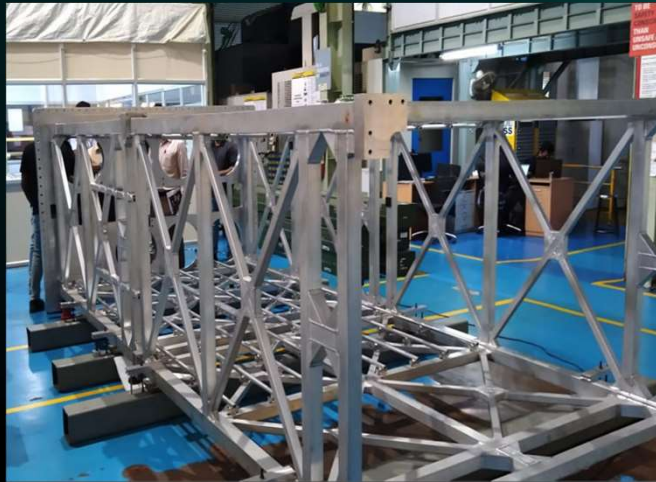

TIG Welding (GTAW) – Aluminum

TIG Welding (GTAW) – Aluminum – ISRO

Missile Launcher

TIG Welding (GTAW) – Aluminum – ISRO

Missile Detector

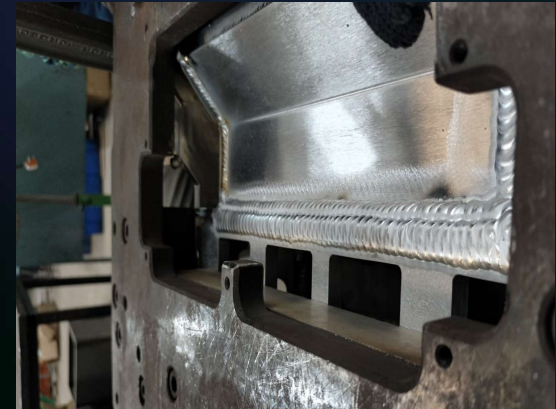

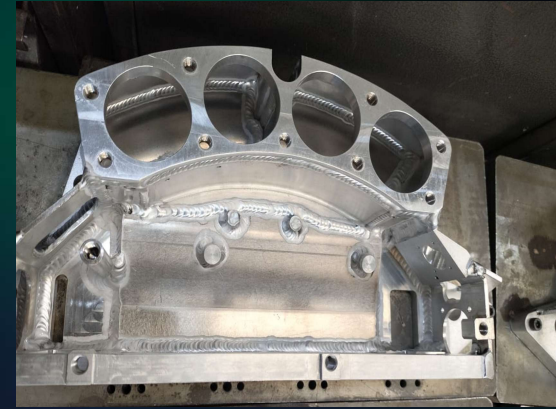

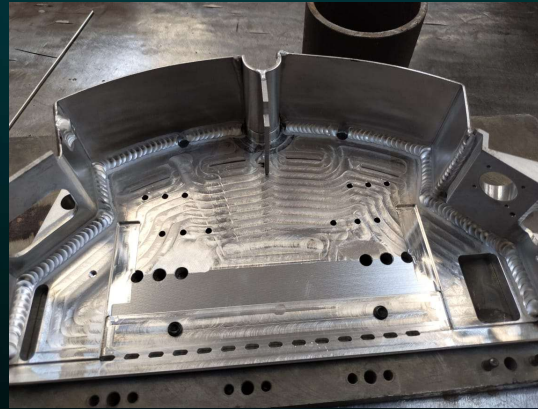

It detects the speed and distance of the missile (in kmph), and changes the location to misfire the missile.

TIG Welding (GTAW) – Aluminum – ISRO

Chandrayaan 1 & 2,

Visual test, DP test, MP test, UT test and RT test are done

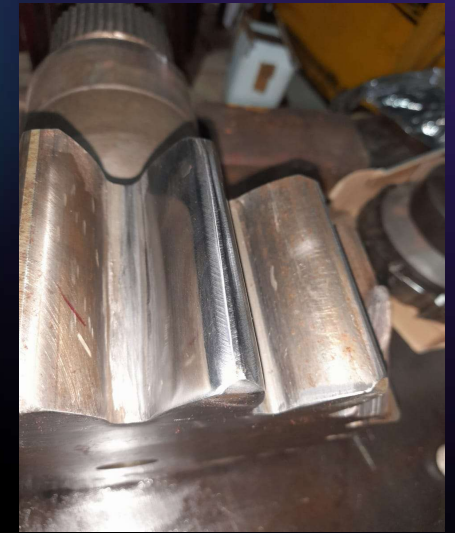

TIG Welding (GTAW) - (Mild Steel)

Turbine Pipelines

DP test and Radiography test are done

TIG Welding (GTAW) - (Mild Steel)

TIG Welding (GTAW) - (Mild Steel)

Cooler (230bar checked):

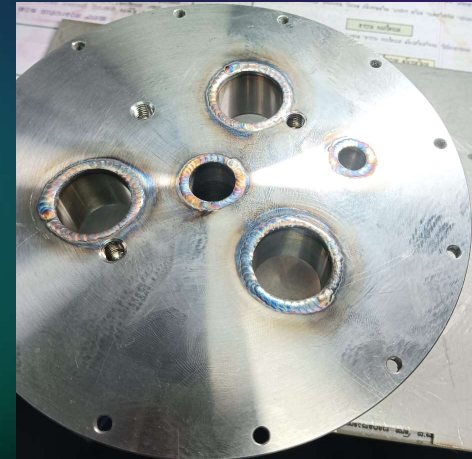

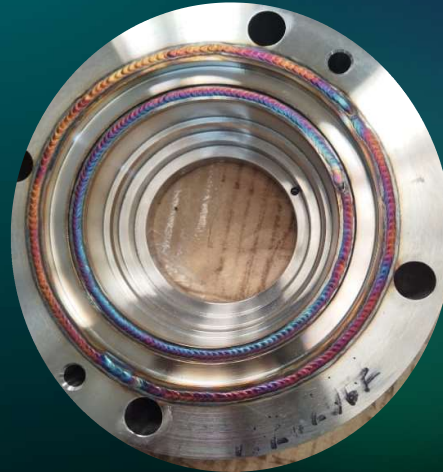

Export to Japan

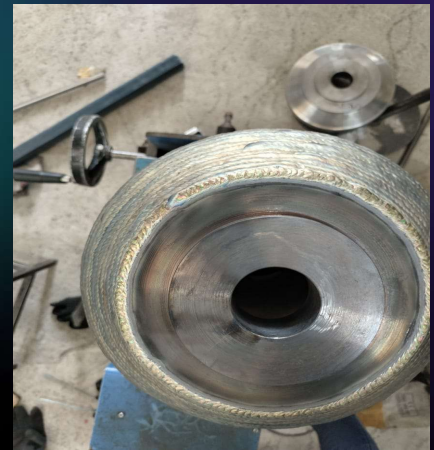

TIG Welding (GTAW) – (Stainless Steel)

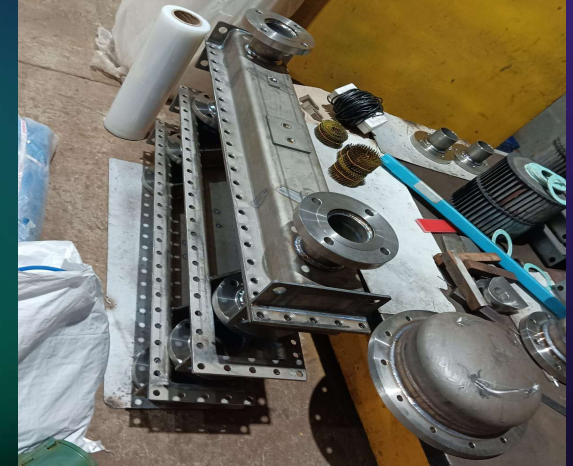

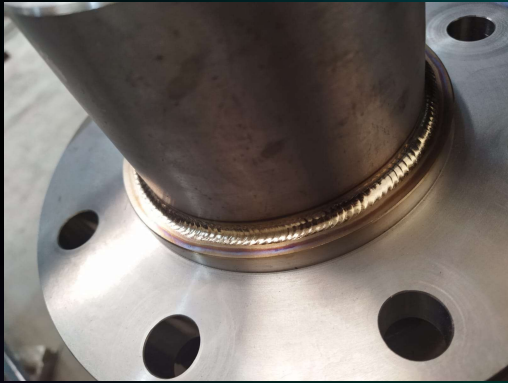

TIG Welding (GTAW) – (Stainless Steel)

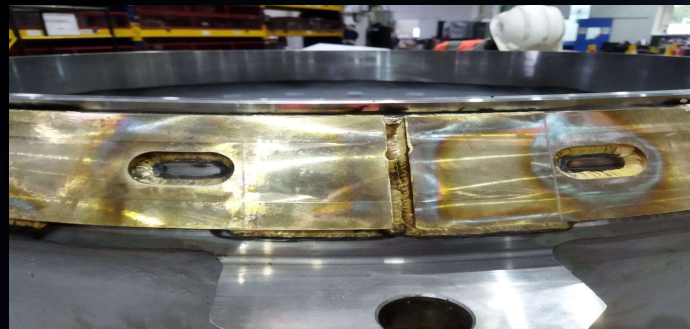

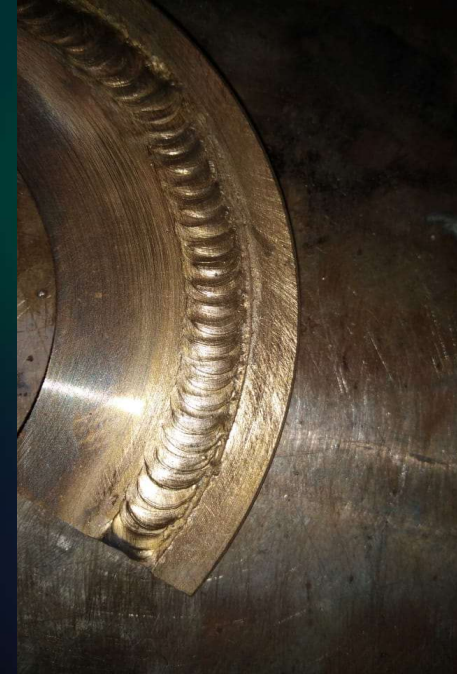

TIG Welding (GTAW) – Cobalt

TIG Welding (GTAW) – Titanium

TIG Welding (GTAW) – Brass

TIG Welding (GTAW) – Tantalum

TIG Welding (GTAW) – Nichrome

Radiant Heaters

TIG Welding (GTAW) – Turbines

TIG Welding (GTAW) – AC for Nuclear weapon

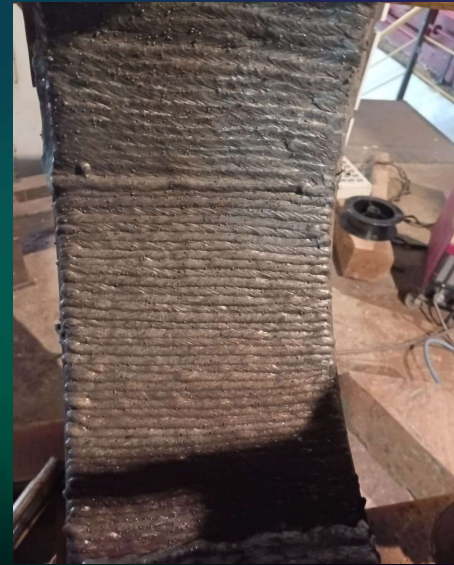

MIG Welding (GMAW)

CO₂

FLUX CORD ARC WELDING

MIG Welding (GMAW)

MIG Welding (GMAW)

MIG Welding (GMAW)
